1. All shipments of frozen semen must be paid for in full by Purchaser before semen is shipped. All shipments of frozen semen by Shannondale Farm, Inc. are handled by University of Georgia College of Veterinary Medicine, Semen and Tissue Freezing Bank. Exhibit B- Shipping Request Form must be completed and faxed from Purchaser to Shannondale Farm, then signed by Julie or David Shannon, and faxed to the University of Georgia before semen can be sent to Purchaser. **Allow for 48 hours for your request to be processed before your semen can be shipped.** It is best to plan ahead and **notify Shannondale Farm the first day of the cycle you would like to breed.**

2. Purchaser agrees to **return** frozen semen **shipping container** via prepaid Federal Express **within 24 hours** of its receipt, along with signed form acknowledging receipt of transported frozen semen. If tank is not shipped for return within 24 hours, purchaser agrees to pay a \$30/day delinquent fee until tank is returned.

3. Any loss or damage to the shipping tank after arrival will be the responsibility of the Purchaser, up to the sum of \$750.00 US. Purchaser takes ALL responsibility for any damage, loss, or injury resulting from the handling of liquid nitrogen.

4. This contract may not be assigned or transferred by purchaser.

5. This contract, signed by respective parties, and those documents referred to herein, which are hereby incorporated by reference, constitutes the entire agreement between the seller and purchaser and same may not be amended or modified.

6. This contract shall be interpreted in accordance with the State of Georgia, and its validity and administration shall be governed by said laws. In the event of breach of this contract or any part thereof, purchaser agrees to pay any and all reasonable attorney's fees or other expenses incurred, or which may be incurred by or on behalf of the seller in the enforcement of this agreement.

**7. For optimal results, the mare should be bred as close to ovulation as possible with a clean uterus, having no disease or infection.**

Specific instructions regarding application of the frozen semen straws will be provided when shipped, however, **frozen semen offers no live foal guarantee.** If you or your vet has any questions, please contact Dr. Richard Fayer-Hoskins at the University Of Georgia College Of Veterinary Medicine at 706-542-3223.

8. Upon breeding, please fill out the Mare Breeding Record and return to Shannondale Farm no later than November 1<sup>st</sup> of current breeding year. The breeding certificate will be issued once all fees have been paid in full and the Mare Breeding record is returned. If this semen has been won in an auction, all auction fees must be paid in full before a breeding certificate will be issued.

9. It is the responsibility of the Mare Owner to present the foal to the proper breed association and all fees incurred from registration and inspection are the responsibility of the Mare Owner (Purchaser).
